After School Activities (Students must be enrolled in the activity to attend.)				

### Drop Off & Pick Up reminders

Please remember our safety procedures when dropping off and picking up your children. Our doors open at 7:10 each day. No child should be dropped off before this time, as there is no adult supervision before then. Use only the right drop off lane until 7:30, when safety patrol and staff arrive to supervise both lanes. If utilizing the left lane, please have your child exit the right side of your car so that they can be seen by the safety monitor at the front of the line. Please ensure that your student is ready to exit your vehicle when entering the line. The first four stalls are to unload with each cycle. Parents who are parking to drop off must walk students to the cross walk. Please never cross anywhere other than at the crosswalk. Also, students are never to be dropped off in the parking lot and sent to cross on their own. Thank you for your help in ensuring student safety.

### New Online Payment System

Many of you have already noticed that Maryville City schools is using a new system wide payment software service called My School Bucks. You will be prompted to create a new account for this year. Any funds left over from last year's Pay Pams system will roll over to the new system. This system can be used to place money on lunch accounts and pay school fees. You can access the system through this link:

<https://www.myschoolbucks.com>

## Returning Student Online Registration

Students in 1<sup>st</sup> – 3<sup>rd</sup> grades should have received an e-mail link to update important contact information, as well as to digitally sign various beginning of the year paperwork. We still have just over 100 families who still need to complete the process. If you have not done so yet, please take a moment to do so. If you did not receive the e-mail, please contact:

[JSE.annualverification@maryville-schools.org](mailto:JSE.annualverification@maryville-schools.org).

## PTO

Our PTO invites parents to follow John Sevier PTO on Facebook to keep informed of upcoming activities and volunteer opportunities.

## Rebel Run

The Rebel Run is a fundraising event for the Maryville City Schools Foundation to provide the ongoing enrichment of educational programs for all students in Maryville City Schools. Rebel Run 10K, 5K and 1 mile run/walk will finish on the 50 yard line of Renfro Field in Shields Stadium at Maryville High School. The run will be held Saturday, August 24, 2019 starting at Maryville High School, 825 Lawrence Avenue. Participants in all three events should plan to be at the starting line at 7:30 a.m.

Each year the schools in our system have a friendly contest to see which school has the most runners and/or virtual runners participating. JSE would like to win this year!! So if you register or have friends that are registering please make sure to select John Sevier Elementary as the school you are supporting through the Rebel Run! The JSE grade level with the most Rebel Run participants (teachers, students, and family members) will win an extra period of recess! You may sign up using the link below.

## Fox's Burrow

The JSE PTO is coordinating the planning for our memorial area to honor Keith Burroughs. This project will honor Keith's focus on exercise and activity. Multiple areas will be developed including a playground, kickball field, Frisbee golf area, gaga ball pits, a sensory garden, an outdoor classroom / amphitheater, and walking trails. You may use the link below to find out details about the project, along with information about how to donate. Donations are tax deductible. If you know of any corporate sponsors who would be interested in donating, please share the attached brochure with them. Donation link:

Fox Guard Schedule August 19– August 23		
AM	Lucille G.	Kayleigh H.
PM	Theodore K.	Nolan R.
PM	Cooper M.	Tyler R.

Greetings Parents and Students,

I hope everyone had a safe, enjoyable summer. Hopefully you were blessed with quality time alongside family and friends to relax following the past school year. Now with renewed enthusiasm for the upcoming school year, I would like to express my excitement to be with you again this school year as your School Resource Officer (SRO). For the new parents, I am a member of the Maryville Police Department and have been employed with them since July 2015. Prior to coming to Maryville, I was a Special Agent – Forensic Scientist with the Tennessee Bureau of Investigation. Over my 15-year career, my training background includes drug identification, crime scene investigation, active shooter response, and digital evidence recovery.

I look forward to the opportunity of interacting with your students in any way I can as I focus on maintaining a safe learning environment for both students and staff. As we move forward into the school year, I am excited to assist you with any challenges that may arise, and to help educate students and staff on issues related to law enforcement and school safety.

As your SRO, I am committed to:

- ❖ Being visible within the school community to help deter criminal activity and student misconduct.
- ❖ Attending and participating in school functions.
- ❖ Building working relationships with the school's staff as well as with student and parent groups.
- ❖ Initiating interactions with students in the classroom.
- ❖ Promoting the profession of law enforcement and being a positive role model to students.
- ❖ Working with staff members to establish a safe and secure learning environment.
- ❖ Being an advocate on behalf of faculty members for emergency response training.

My school office is located at Coulter Grove Intermediate School, 2025 Sevierville Road. Please feel free to contact me anytime with your concerns and questions. I may be reached by e-mail at [clayton.hall@maryville-schools.org](mailto:clayton.hall@maryville-schools.org) or my office phone (865) 982-6345 x61917.

Please, let's work together for the safety of all. Let's have a great school year.

Officer Clayton Hall  
School Resource Officer  
Maryville Police Department  
Serving CGIS, JSE, and MA
